#MKEDUCATION

We imagine an elegant elopement in Paris. A couple who is authentically happy. Minimal styling with little decor, but floral arrangements that enhance the pictures.

TIMELINE

10:00	1. Location: Palais Royal
11:00	1. Location: Louvre
12:00	Lunchbreak
13:00	3. Location: Jardin de Tuileries
14:00	4. Location: Pont Alexandre III
15:00	End

At each location I will first show you how I work with the light. Then I give tips & tricks for poses. Each participant then has time to work with the couple themselves (approx. 10 minutes per person). In the meantime, I create the portraits of the participants in each location (note: there is only an opportunity to change during the lunch break, so please have your outfit on). During the breaks, questions can be asked and B-roll shots can be created. There will be someone to take behind-the-scenes footage of us.
